## CONGRATULATING MORRIS AND GERTRUDE SOLOMON

(Mr. TONKO asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. TONKO. I would like to take a moment to honor a very special 75th anniversary celebrated by two of my constituents, Morris and Gertrude Solomon. Morris and Gertrude were married in New York City on November 16, 1934. Two years later, in 1936, they moved to Albany, where they have resided ever since.

Upon moving to Albany, Morris bought his own pharmacy, where he served mostly the children of immigrants, as Morris himself was an immigrant, and he earned the nickname Doc. His credit plan during World War II and difficult economic times was “pay me when you can.”

Gert stayed home raising Harold and Barry. Afterwards, she went to work for the State of New York, retiring in 1976, the same year that Moe sold the drugstore and retired. They have five children and five great grandchildren.

Madam Speaker, this year Gert and Moe both celebrated their 97th birthdays. May their 75th wedding anniversary be an occasion for all of us to reflect on their many extraordinary achievements, and an occasion to celebrate life, love, and a unique closeness between two incredibly strong and caring individuals. Their relationship with one another, their family, and their community is a model to emulate.

Congratulations to this wonderful couple.

## DIABETES AWARENESS MONTH

(Ms. ROS-LEHTINEN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. ROS-LEHTINEN. Madam Speaker, Diabetes Awareness Month is our effort to raise awareness of the disease, its prevention, and ways to manage its impact. There are 24 million Americans living with diabetes. That's about 8 percent of our population. There are 1.6 million cases diagnosed every year, and 57 million Americans are at risk with prediabetes.

As encouraged by the American Diabetes Association, we must promote the four-step method of sharing, acting, learning, and giving:

sharing our personal stories of diabetes;

acting to help end the rise of new cases;
